# WHAT IS A MASTER SERVICE AGREEMENT?

*What does it mean?*

The MSA agreement creates an understanding of the major deal points, expectations and how potential issues will be handled if in case disaster strikes. A Master Service Agreement is not a contract. This only establishes parameters pre-emergency so that we are able to give you the best emergency response possible.

## **PRIORITIZED RESPONSE**

Immediate & guaranteed when it matters most.

## **PRE-PLANNING ADVANTAGE**

Plan is ready when emergency occurs. No obligations.

## **MANAGED EXPECTATIONS**

Detailed & thorough to ensure both teams are happy.

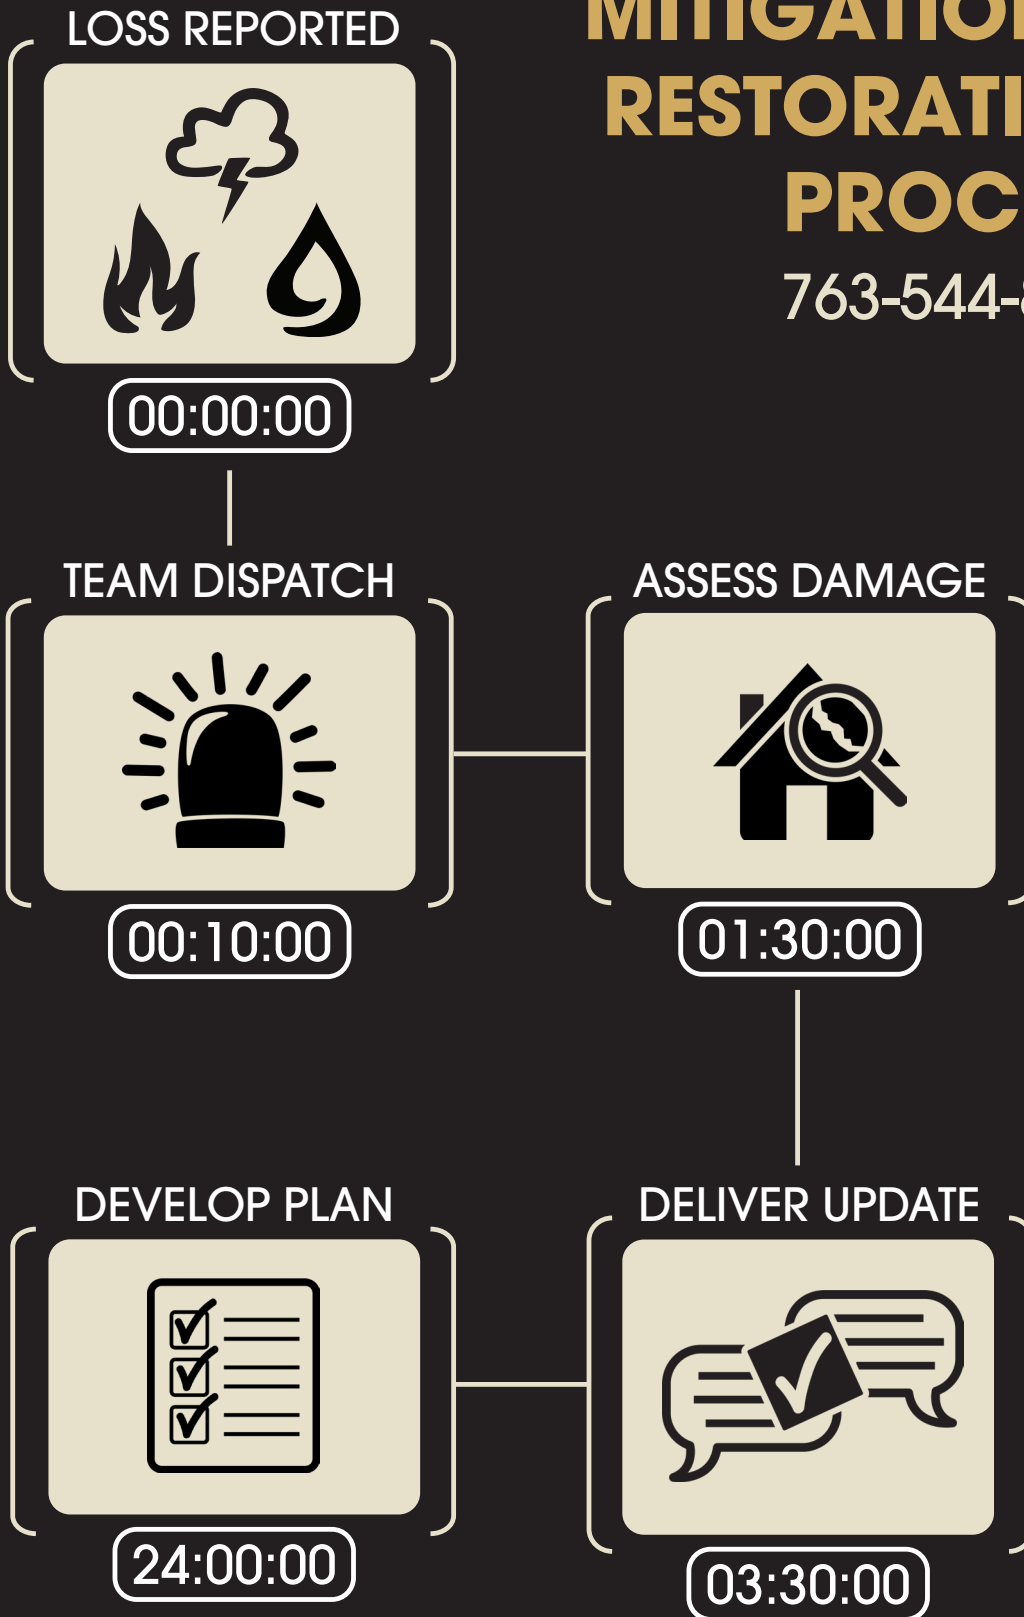

## **SAVE TIME & MONEY**

Begin without delay via work order with pre-agree pricing.
